Defects Report

Defect ID	DEF-377717
Defect Description	Incorrect UI for select hotel page, as a user, I want to book Standard Room for 2 night stay starting today
Defect Type	uiux
Priority	Medium
Severity	Major
Status	open
OS	
Browser	
Devices	
Build	
Module	
Steps To Reproduce	1. Open website and login with valid creds 2. Select Sydney in Location 3. Select Hotel Creek from Hotel dropdown 4. Select Standard as Room Type 5. Select ChkIn as (22/10/2025) 6. Select ChkOut as (24/10/2025) 7. Leave all remaining fields as-is 8. Press Search button
Expected Result	1. User should be redirected to Select Hotel page 2. Following result should be displayed: - Location: Sydney - Hotel: Hotel Creek - Room: Standard - ChckIn: 22/10/2025 - ChkOut: 24/10/2025 - Rate: 125 - Total: 250 (125x1x2)

Actual Result	1. Order of columns changed such as location and hotels 2. inconsistent names such as instead of hotels the display has Hotel Name, instead of Total Fees it displays Total Price (excl. GST) 3.Instead of 1 button Continue with Booking has 2 named Continue and Cancel
